# AURA.520 Workstation

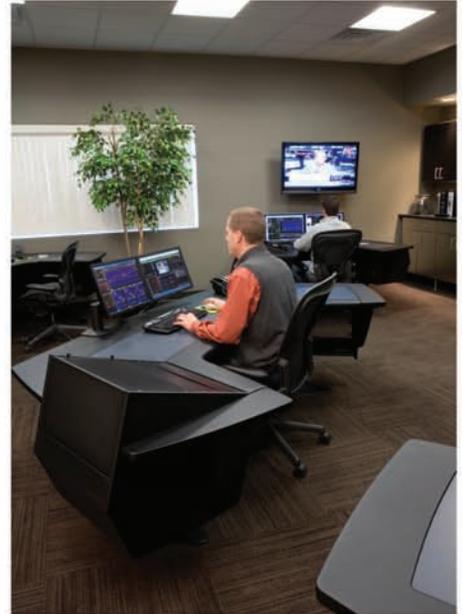

AURA.520 is shipped disassembled and is available in four different models. The 520-N features a full desk surface with "lower" racks on the left and right. The 520-LR has "upper" and "lower" racks on the left and right side. AURA.520 is also available in combinations of one "upper" side rack and one "lower" side rack unit. The 520-L (not shown) features an "upper" rack on the LEFT side. The 520-R (not shown) features an "upper" rack on the RIGHT side.

## AURA.520 WORKSTATION

**THE ULTIMATE PERSONAL WORKSTATION**, Aura.520 offers enough space to accommodate two people, rack-mount equipment, and a "wall of monitors". Like the smaller, personal-sized Aura.260, every component surrounding the high pressure laminate insert is given a sleek and durable powder coat finish. Available in configurations with or without top-mount rack modules.
